Care Service Rates

Our pricing structure reflects a commitment to delivering safe, effective, caring, responsive, and well-led services in line with CQC standards. All care packages are tailored to individual needs, always ensuring person-centred care.

Hourly Rate: £30 per hour

Live-In Care: Starting from £1300 per week (subject to assessed care needs and complexity)

Overnight Rate (Sleeping Night): £190 per night

Awakening Night Rate: £30 per hour (for active night support)

24 Hour Care: Pricing is dependent on assessed care needs and complexity. This may be delivered via hourly support or live-in care arrangements.

All services are delivered following comprehensive risk assessments and care planning, ensuring dignity, safety, and independence are always promoted. Final pricing will be confirmed following a full care assessment.
