

## Home Care Pricing Guide

Effective Date: May 2026

At Placid Care Ltd, we provide personalised, high-quality home care tailored to individual needs. The prices below are our standard private self-funder rates and may vary depending on the complexity of care required, location, timing of visits, and individual circumstances.

### Standard Home Care Services

Service Type	Rate
Hourly Home Care	£25.00 per hour
Overnight Care (Sleeping Night)	From £150.00 per night
Waking Night Care	From £250.00 per night
Live-in Care	From £1,250.00 per week
24-Hour Care	From £350.00 per day

*The prices below represent our standard private self-funder rates. Rates for Local Authority funded, NHS funded, Direct Payment, or other commissioned services may differ depending on contractual arrangements and assessed needs.*

### Included Within Our Service

Our home care services may include:

- Personal care and support
- Assistance with washing, dressing and grooming
- Medication support and reminders
- Meal preparation and nutrition support
- Companionship and social support
- Mobility assistance
- Shopping and errands
- Light domestic tasks
- Support with appointments and community access

### Important Information

- A free initial assessment will be carried out before services commence.
- Prices shown are standard self-funded rates and are subject to individual assessment.
- Enhanced rates may apply for complex care requirements, specialist support, double-handed care, bank holidays, or urgent care arrangements.
- Live-in and 24-hour care packages are individually assessed to ensure appropriate staffing and support arrangements.
- Minimum visit durations may apply.
