## Charnwood Care Home Weekly Fees and Services

Fees for people paying privately:

- Residential Care £1000 - £1300 per week\*
- Nursing Care £1100 - £1300 per week\*\*
- Dementia Care £1150 - £1350 per week\*\*

\*This is based on needs assessment, guide detailed below.

\*\*Any financial contribution by the NHS for nursing care is paid directly to the care home and not included in these indicative prices. These fees are also based on needs assessment, guide detailed below.

The fee's will be reviewed annually and amongst other circumstances. For example if there is a significant change in care needs, any changes to funding or following a request to move to another room within the home. For further information please review the relevant terms and conditions.

For guidance, the below table indicates based on needs assessment conducted, top up for the above prices. This will be discussed on an individual basis and below is simply a provided guide.

For those that receive funding from Local Authority or NHS Trust, an additional top up contribution may be needed to contribute towards the difference between the fee paid by the Local Authority and care home fee. The top up fee is usually paid by another person, usually a relative. This will be discussed on an individual basis.

The final fee is dependent upon individual requirements and needs, identified from care needs assessments, the length of stay and the size/facilities of the
